## Facial Radiance Night Oil

with Sandalwood, Frankincense and Rose

30ml

This night oil is a combination of organic base oils and a blend of essential oils to nourish, repair and slow down the ageing process. It is a product that can be used under your night cream at night to deeply nourish, improve barrier function of your skin and slow down the signs of aging. It is especially good for dry, devitalised skin. There are no product fillers to bulk out this product. The ingredients used are rich and pure. A formula that will deliver really good results. There are no nasties in it so you can use this product with confidence.

### Key Ingredients

---

- » Using organic sunflower, avocado and rosehip carrier oils to nourish and protect the skin from the elements. Rich in vitamins, these oils help prevent damage to human cells. This product has a light texture and packed full of great skin food. Reduces wrinkling in the skin, eases sun burn and radiotherapy. Helps with increasing the production of collagen in your skin. It can also help with skin that gets a little congested as sunflower oil is great at fending off infections. Rosehip is a natural vitamin A, so also helps with skin repair and collagen production.
- » Sandalwood is a luxurious and exquisite oil with a sweet fragrance. It goes back over 4,000 years ago to India, Egypt, Greece and Rome. The Egyptians used it for embalming. It is antiseptic, anti-inflammatory and anti-ageing. It can be used on dry, flaky, itchy skin, psoriasis, dermatitis and eczema skin conditions. It helps to fade scars and it improves cracked, chapped and irritated skin.
- » Frankincense has a long history dating back thousands of years. Best known as the plant derived treasure given to baby Jesus by the three wise men. These essential oils were also used in the embalming process used by the Egyptians. They are both anti septic and anti-inflammatory. Fabulous for skin rejuvenation. Returns dry and oily skin to a normal, balanced state. Promotes healing and fights inflammation.
- » This Radiance Night Oil is high in essential fatty acids. It has vitamin A, B1, B2, D and E. A deeply nourishing product that heals and is a fantastic cell regenerator. You will notice a difference in your skin quite quickly.

### How to use

---

Use after you have cleansed your skin in the evening, apply a thin layer of the Radiance Night Oil to your face and throat. You can use it alone or you can apply your night cream over the top.

You can also apply it under your Moisturising Day Cream in the morning if you feel you need extra nourishment. Apply sun screen and then make up if you wear it.

There are no artificial fragrances or colours used. Use clean hands to remove your product out of the bottle. Keep water out. Store your oil in a draw or cupboard, keep it out of the sun.

Recyclable packaging.

Use within six months of opening. Patch test first, if an allergy occurs, discontinue use.
